WELCOME TO PSM PUBLIC SCHOOL

**“COMMITTED TO
NURTURE YOUR CHILD”**

The school is an innovative and creative day school, founded in the memory of great humanitarian **Late Shri Parmeshwar Singh** in the year 2018 and a Post Graduate College in 2009.

Our team is a strong believer in imparting value based education while preparing the students to face the intricacies of the hectic life by providing them a conducive ambience. We urge and strive for excellence. As it is said, "An ideal system of education is the backbone of democracy." It's our earnest responsibility to nurture the children to uphold the democratic values and ideals. So that they can become successful and law-abiding citizens. No doubt the first session of the school has collected a bag full of positive efforts in all the ways which are really needed for a school. Further I expect from my students to think high, to raise high, soar to achieve their goals. Absorb knowledge wherever possible and listen to the opinions of people who are more experienced than you. Believe in yourself, never give up determination, always have a strong will power. I thank you every one for having trust in us and our values. **With Best Wishes.**

**BAJRANG BAHADUR SINGH
(DIRECTOR)**

OUR MISSION

We continually aim to offer best practices in education that can ensure our students' fulfilling careers in future. Through our streamlined curriculum and an open-minded approach, we look for areas of opportunity and seek strategies for a way forward.

Apart from your children's efficient education, our goal is to offer an all-round development because we wish to develop smart leaders for tomorrow who are confident in every action they take.

OUR VISION

To provide a learner-centric education for your children so that they can achieve their full potential in the respective fields of education they wish to pursue and build a better world.

PRINCIPAL'S DESK

I have great joy in welcoming you to this esteemed institution. Diversity implies growth; it has always been an inherent feature of the PSM Public School which is a new venture undertaken by the Om Educational Society at the most appropriate time. The channelised effort of the Om Educational Society in founding a school is to transform every child into a responsible human being.

There is a spark in every child's mind. The PSM School believes that this spark has to be transformed into a brilliance that benefits not just the child but the society as well. Hence, we provide an education that would develop all aspects of each individual student which is relevant to his / her needs and which will prepare him/her for life and face the challenges of the competitive world.

Our students are encouraged to participate to the fullest possible extent in the social, physical and cultural activities of the school so that they may emerge as self-disciplined, responsible and well-adjusted citizens, capable of playing an active and positive role in modern society.

Our school is strengthened by very supportive parents who are actively involved in all aspects of their children's education. We are very proud of our history, our values, our outstanding facilities and the high standards achieved by our students.

The most important period of life is from birth to the age of six where most of the learning happens initiates this holistic journey which strives to have a profound effect on the child's future by providing the right context of learning through the IEYC.

PRIMARY & MIDDLE SCHOOL

The contours of knowledge know no bounds Alpha recognizes this feature and gives each student rigorous exposure to group activities, seminars, visual learning and project works. The teaching process at School helps to garner and harness the varying potential within each student.

LIBRARY

The School library is the hub of intellectual activities and is rich in reading material and reference resources, which provide information and ideas that are fundamental to functioning successfully in today's information and knowledge - based society.

COMPUTER LAB

Computer classes in schools are important for well-rounded education Students at PSM Public School are instructed on the basics of computer use as early as Class 1. Educational software is presented in a game-like format to entertain the younger students while they learn key concepts.

MATH LAB

Math Lab provides opportunity for children to enjoy Mathematics, understand its basic structure, pose and solve meaningful problems. It enables the student to learn Mathematics with the help of concrete objects and to exhibit its relatedness with everyday life.

SCIENCE LAB

PSM has an extensive science lab which provides an experimental foundation for the concepts introduced. It enables the learners to familiarize themselves with experimental apparatus, scientific methods applied, and to make careful observations and draw conclusions in relation to the experiment.

DIGITAL BOARDS

In today's competitive world, children need the skill sets, which are beyond subject knowledge and require concentration assimilation and retention. At PSM its importance is manifested with the installation of the Tata Class Edge Boards in every class room.

SPORTS & MUSIC

Inclusion of games in our curriculum of studies is, very important for the physical & mental wellbeing of our students. The music classes in our school serves as a platform for creating tiny musicians of all genres and skill levels. It enables them to learn vocals, rhythm and pitch in singing and to use

CELEBRATION OF SPECIAL DAYS

Celebrations in PSM Public School have become an integral part of joyful learning, community building and thought provoking processes

CLUB ACTIVITIES

HERITAGE CLUB

It helps in creating awareness and in preserving and promoting our varied and rich ancient culture and traditions among the young learners. It conducts various activities including educational excursions, which enable the students to appreciate the traditions, culture and religious diversity of our country.

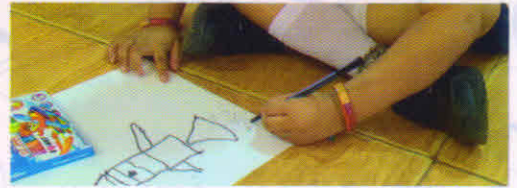

ECO - CLUB

PSM believes in creating an ever-green environment for the learners. In order to make the learners realize the importance of a healthy environment, we engage the learners to perform various activities in the 'Eco-club'.

SPICE CLUB

Learning to cook helps children to learn about nutrition, healthy eating, multi tasking, fast pace decision making, cleanliness and co-ordination. The club not only aims at giving children solid base knowledge about Cookery, but also helps to bring out their creativity, boost their self-esteem, give them an atmosphere to work as a team.

QUEST CLUB

The Quest Club at PSM acts as a platform for our students to experience the sheer joy of jogging expressing it creatively within split seconds, working in teams. The Activities done in the Quest club not only guide the students to swim across deep seas of information and explore dense forests of wisdom.

FIELD TRIPS

It allows students to have real world experience, which clearly illustrates and enhances the information taught in the curriculum. Field trips give a chance to experience hands on learning while being introduced to new environments.

ART & CRAFT

In our Art & Craft classes our students are taught a variety of skills like - creativity, confidence, visual learning, decision making, perseverance, collaboration and accountability.

QUIZ CLUB

The Quiz Club in PSM has been quite active and efficient in igniting young minds to consistently raise the bar in Quizzing.

During the SUPW activity every week, the students are motivated to seek knowledge, to widen their horizons, and be confident enough to take on greater challenges in the quizzing sphere.

The students prepare and take turns in hosting a quiz each week. The process has made them avid readers, knowledge seekers, and smart thinkers with excellent analytical skills.

CHESS CLUB

Chess is a game of mind and talent and it's truly a sport for all. Playing chess is a great way to enhance your mental capabilities. Chess club is one of the most active clubs of the PSM where every Saturdays, the student members of the Chess Club along with the teachers-in-charge have informal chess training sessions.

TEACHING AND LEARNING

PSM Public School curriculum uses a variety of engaging teaching and learning methodologies that challenge and motivate learners to excel. It focuses on nurturing in them knowledge and skills essential for success in the 21st century.

Inquiry-based and application-oriented approaches across all subjects and age groups enable students to learn about and respect a range of ideas, independently and collaboratively with others. It helps them develop new perspectives and take responsibility for their learning.

Our teachers make use of flipped classrooms, project-based learning, brainstorming, role play, interactive lab experiments and self and peer evaluation, to make learning more engaging and effective. Our educational programmes help students:

- To develop confidence to work with information and ideas – their own and those of others
- To take responsibility for themselves and their actions and be respectful of others
- To become reflective learners and be able to identify their ongoing learning needs
- To be creative, innovative and fully equipped for future opportunities and challenges
- To be articulate, effective communicators, and to express themselves appropriately
- To empathise with others and understand and appreciate diversity
- To develop as responsible individuals who enjoy a healthy, active and balanced lifestyle
- To be engaged citizens, contribute to the community and address global challenges

FACULTY

All teachers at the PSM Public School are core professionals and children friendly. We believe that children think and learn differently and that intelligence is expressed in a multitude of ways, hence our curriculum has a multifaceted approach to incorporate all intellectual domains. Teachers create an invigorating ambience that kindles the curiosity of every child.

“

Education is what remains after one has forgotten what one has learned in school.
